parent chats

First grade has been working so hard on their poems both last month and will continue practicing this whole month. Please be working with your student on making sure their voices are clear and loud and that they have different hand gestures throughout the poem.

Our school website is up and running now! You can check out our classroom page at stms.org. You will find some good resources on there as I learn to add information and links.

Our speech assembly is on the 28th of this month and we would love to have you join us!

We will be doing a Valentine exchange but not a party. Students will decorate a brown bag to collect Valentines. If you choose to bring valentines you **MUST** bring one for every student in the class (25).

to do

- Practice poems at home every night!
- Be reading 15 minutes every night. It makes a huge difference in the students performance!
- Valentine Exchange on Feb. 13th
- The 100th day of school is on the 12th!

curriculum focus

LANGUAGE ARTS

We are working on opinion writing! Soon we will have some work in the hall

MATH

We just finished up addition strategies and are now moving onto subtraction!

SCIENCE

We are finishing up our unit on light! Our favorite subject seems to be science!
