

newsletter MARCH

parent chats

We made it to March! Thank you all for coming and supporting your student at the primary speech assembly. The kids loved having you there!

During lent we are raising money to support the Heifer International project. The first grade class is raising money to buy a pig. We are confident that we can work hard to earn the money. Please help your student come up with some ways at home that they can earn some money to donate.

Fridays during Lent as a school we participate in Stations of the Cross. If you are available please join us!

curriculum focus

LANGUAGE ARTS

In language arts we are working hard on opinion writing.

MATH

In math we are learning about place value and subtracting large numbers.

SOCIAL STUDIES

In social studies we are working on creating and using maps.
